# MONEY\$SMART

FINANCIAL MANAGEMENT CAMP

Money\$smart Financial Management Camp is Expanding! This year the program has been expanded to include young people entering the 6th, 7th and 8th grades. Another great new aspect of the program is two additional camps. In the past just one camp location was available. Now the program will have three camps during September; Garden City, Wichita, and Topeka! Money\$smart Camp is a blast for the kids, they have fun and learn about good personal financial management techniques at the same time. Camp teaches them about Money and Choices, Budgeting, Saving and Goal-Setting and Cash and Credit. Give us a call if you are interested in attending, we will get the information and application to you. Bell Credit Union does offer a scholarship to cover the cost of camp. Pack your 1601 bag and let's go to Money\$smart Camp!

### Financing the Home of your Dreams!

### Why I want to go to MONEY\$SMART Camp!

Write a 50 word essay on this subject, send it to Claudine at Bell Credit Union at the address at the top of this page. **You could win a scholarship to camp!** You must be entering the 6th, 7<sup>th</sup> or 8<sup>th</sup> grades this fall, be a member, or a relative of a member. **Scholarship deadline is August 1, 2007.** Essays must be the work of the student and may be typed or handwritten.

### Idaho

The third commemorative quarter-dollar coin released in 2007 honors Idaho, and is the 43rd coin in the 3297 United States Mint's 50 State Quarters® Program. Idaho, nicknamed the "Gem State," was admitted into the Union on July 3, 1890, becoming our Nation's 43rd state. The reverse of Idaho's quarter features the Peregrine Falcon imposing its presence above an outline of the State of Idaho. The coin bears the inscriptions "Esto Perpetua" (the State motto which means, "May it be Forever"), "Idaho" and "1890."

The Peregrine Falcon is one of the fastest birds in the world. Once on the endangered species list, it can now be found throughout Idaho and the United States because of conservation efforts. Governor Kempthorne stated that the recommended design, the Peregrine Falcon, reflected Idahoans' traditional values and esteem for nature.

### Summertime Bug Facts

A tick should be removed only with tweezers. Using alcohol, nail polish, petroleum jelly, or matches could traumatize ticks, and that could cause them to regurgitate stomach contents four eight six that may include Lyme disease bacteria.

Honeybees, wasps, and yellow jackets see in the ultraviolet spectrum and are attracted to bright colors and floral patterns. Wear light colors and avoid sudden movements to reduce your chances of being stung.

If you prefer a natural remedy for mosquito repellent, try a catnip oil product, proven effective in an Iowa State University study.

Hold a branch up high to distract those bugs! Some mosquitoes and gnats naturally swarm toward the highest part of the body or to an extension of it, such as a branch.
